

ARCHITECTURAL FLOORS

C L E V E L A N D

Architectural Floors is recognized as an expert in the market for our ability to help design and build your project. When your project has specific performance and design requirements, a demanding schedule and clearly defined budget, AFOC should be your first call. Selecting from the leading manufacturers in the industry, we will help you find the right products for your needs and will guarantee both time line and cost when pricing your project.

OVERVIEW:

- 5,000 sf. Dedicated Wrestling Locker-room, Weight-Room, and Multi-Purpose Room
- Multi-Purpose Room flooring to be used by wrestling team during the season and all students during the off-season.

CHALLENGES:

This installation had to be completed during Christmas Break to minimize disruption of the wrestling team training schedule.

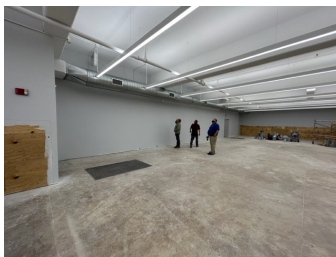

- Room is in basement without an elevator to move material.
- Products requested had 1 1/2" thickness variance
- Wet conditions in locker-room due to proximity to showers
- High performance products require a highly skilled installation team.

OBJECTIVE:

- Provide professional craftsmanship in a timely manner
- Work with the right partners:
 - ◇ Architectural Floors of Cleveland was brought in to help select the best products for the unique conditions this space provided.
 - ◇ Ecore provided Performance Beast 10.5 mm rubber flooring in the weight room to handle heavy impact, and Baller Motivate rubber backed vinyl in wrestling room for added cushion and cleanability.
 - ◇ Kinetex provided industry leading composite textile flooring in the sweaty and often wet locker-room to add slip resistance, comfort under foot, stain resistance, and a healthy environment for the team to prepare.
